

Human Resources Generalist

Meridian People Solutions | Gurugram, India (Hybrid) | Experience: 3-5 years

About the Role

We're looking for an HR Generalist to support the full employee lifecycle, from recruitment through onboarding, engagement, and HR operations. You'll work closely with department heads to build a strong, well-supported workforce.

Responsibilities

- Manage end-to-end recruitment for technical and non-technical roles
- Coordinate onboarding and induction programs for new hires
- Maintain HRIS records, leave management, and payroll inputs
- Design and drive employee engagement initiatives across teams
- Support performance management cycles and manager coaching
- Draft and update HR policies to ensure compliance with labor regulations
- Handle employee queries, conflict resolution, and exit processes

Required Skills

- Experience managing full-cycle recruitment and onboarding
- Working knowledge of HRIS platforms such as Darwinbox or similar
- Understanding of Indian labor law and statutory compliance basics
- Strong interpersonal and conflict-resolution skills
- Proficiency with MS Office, especially Excel

Nice to Have

- SHRM-CP or equivalent HR certification
- Experience with HR analytics or engagement survey tools
- Prior experience supporting a rapidly scaling team
- Exposure to payroll processing systems

What We Offer

- Competitive salary and annual performance bonus
- Flexible hybrid work model
- Learning and development budget, including HR certifications
- Health insurance for you and your family
